Chapter 1 by DJNOVA

Fred the unicorn rode on a unicycle. He was #1 tourist attraction, but had a sad life. He could not fly to the sky and get hunted down by the bouzouka people, he could not go to the rainbow, he could not walk, etc..... Suddenly, he had an idea!.....

Chapter 2 by Brock Thompson

He could slice himself up into little kernels and go through the iron bars!

GENIUS!!!

Many painful dissections later, Fred was through the bars. Now he had just one big problem.

How was he going to get back together?
